

In the coming weeks, I will explain in greater detail H.R. 308 and the concurrent resolution which reaffirms the United States' commitment to help Guam achieve full self-governance. Both of these proposals seek justice for the people of Guam and true and full democracy and fair play as unique members of the American family.

In conclusion, I must believe that the people of Guam celebrate Discovery Day, this ironic holiday for us. It is a holiday in Guam, I might add, to recognize our rich culture and understand our unique history. This will enable us to understand how we are perceived and allow us to articulate our true history so that we, along with the United States, in this new century can redefine and maintain our strong relationship and allow Guam a greater voice in how the island is governed.
